**BROCKMAN NO.2 DETRITALS PROJECT
COMMEMORATIVE MEDALLION**

The Brockman Project has recently railed its first one million tonnes of iron ore.

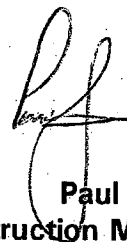

To signify that occasion, and to also thank you for your part in assisting us to get the project operational over the past twelve months, we would like you to accept the enclosed medallion as a token of our appreciation.

As a supplier to Hamersley Iron Pty Limited we are very reliant on the people who supply goods and services to us. Together we can ensure that the high standards that are required can be met and maintained.

Thank you for your support.
